## A NEW HOOD | ILLOVO GREEN

*Illovo Green is a green, progressive and cutting-edge environment.*

Illovo Green is mixed use property development consisting of office space, retail stores and residential property. With the total potential size being 65 000-80 000 sqm. Illovo Green is well situated between Sandton and Rosebank and provides an environment where people can walk, sit and enjoy coffee shops, restaurants and other businesses in a secure environment.

The development is a premium space providing security and a high quality of life to those working and living there. There is a strong emphasis on environmental sustainability as demonstrated through the vertical urban gardens and responsible energy and water conservation methods.

Illovo Green is a space that sets the bar in terms of social and environmental responsibility and sustain-

ability. The development follows a new trend of redefining the office space that is in-line with the new decade of mobility, designed to maximise productivity through a workspace that can lead to a happier and healthier environment that focuses on an increased quality of life. The development facilitates residential, real and commercial tenants.

Illovo Green is a green, progressive and cutting-edge environment that makes room for exciting and fulfilling collaborations through the mixed-use space provided.

The development is a premium space providing security and a high quality of life to those working and living there. There is a strong emphasis on environmental sustainability as demonstrated through.
